

## Frequently Asked Questions Regarding Rentals

### Space:

**Q: Can you hold space and/or a date for me while I make a decision to rent?**

A: We do not place holds on space or dates without a deposit (which is non-refundable and non-transferable). We book on a first-come, first-serve basis. You are welcome to check in with us frequently for availability if needed!

**Q: Can you host daytime events/weddings?**

A: Depending on guest list size, we can host daytime events in our private spaces. As the Museum is open daily until 5:00pm, this limits daytime rental to private spaces only.

**Q: Can I just rent the outdoor space?**

A: You cannot rent just the outdoor space/gardens. You must rent the 3rd or 4th Tier option in order to have this particular space, which gives you back-up space inside in case of bad weather.

**Q: Does the Café patio come with the outdoor gardens when rented?**

A: Yes, you may include the Café patio only with your garden rental. (Café indoor space is reserved for the catering purposes).

**Q: If I rent the Private Dining room (for a daytime rental only) does the Café patio space come with the rental?**

A: No, the Café patio is open to the public and is part of the Café during the day, not the Private Dining room. Guests of the Private Dining room are allowed to go outside, but they cannot sit and take up table space due to the fact that this area is reserved for the public guests of the Museum. If your guests would like to step outside they can. All food and beverage arranged for the private event must stay in the Private Dining Area.

**Q: Do we get a room the day of to get ready in or store items?**

A: We can provide (1) complimentary space for you to use that day, based on availability. You must let us know in advance if you would have a need for this room so we can make sure it's available and reserve it for the event date. Access time to the space

will be determined by you and your events manager. You are responsible for the condition of the room when you leave that evening. If you leave any items overnight, the Museum is not responsible. Limited food and beverages are allowed in this room and must come through Kahn's Catering, our exclusive caterer.
